

*“Behold, I will send you Elijah the prophet before the great and terrible day of the LORD come. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers; lest I come and smite the earth with a curse.”
(Malachi 4:5-6)*

We believe that **family** is the most important unit that God has set on earth, this is where we experience the fullness of His love, and a channel of blessings generations after generations. Sadly, the enemy has been doing a lot of “steal”, “kill”, and “destroy” in the families of our city. There are a lot of people suffering from the broken relationships in family and between generations. Even for us, as the followers of Jesus, it’s obviously becoming harder and harder just to stand firm and to proclaim the truth for what God has destined, such as the ‘one man one woman one lifetime’ marriage system.

In the past few years, God has prepared us to enter into the season of family restoration. From youth movement ‘4C’, ‘Elijah family training’, ‘Eagle couple camp’, ‘Deborah women ministry’, God has highlighted Malachi 4:5-6 to us, calling us for the reconciliation between generations. When the hearts of the fathers turn into the children and the heart of the children turned into their fathers, that’s the time when the curse will cease.

Amazing Family Festival 圍愛 is started at 2019, aiming to bring blessings and healing to families in the community. ‘圍’ means getting together in a round table and it’s a Chinese tradition to have dinner together this way and the table gets bigger and fuller especially during important festivals, this is how we treasure the time spent together as family and ‘愛’ means we do this together with love.

What we were trying to do, is to express the blessings and love of God with creative arts expressions and family activities, so that people at all ages, can actually come and experience, and taste the goodness of God’s love while they were enjoying the festival. In the past few months, we have seen how God moved and how He do new and great things in different communities. We saw people being touched by prophetic drawings and prayers, being opened up to talk about how they felt towards their mother and daughter. It’s truly amazing and we believe more and more families will be blessed and touched by God in this season.

We invite you to pray and to join us in this journey, below you will find the action plan so that you can take a closer look on how it can actually be carried out. Please also feel free to get in touch with us for more details.
